Dr. Tom Pomeranz is a nationally recognized authority, trainer, clinician and consultant in the field of services for people with disabilities. Over the last forty (40) years, Tom has conducted thousands of seminars and programs throughout the United States and Canada. His audiences praise his ability to combine information, humor, passion and storytelling into an informative whole that does not just present the information, but really communicates it in a memorable fashion.

Tom is the highly acclaimed creator of Universal Enhancement, which teaches strategies promoting community participation and supporting people to have a quality life. Tom has authored numerous articles, served as a keynote speaker in many venues including the International Conference on Developmental Disabilities and Aging in Cyprus.

Tom is the president and CEO of Universal LifeStiles. Universal LifeStiles develops and markets best practice training materials that enhance the skills, competencies and sensitivities of staff, family members and significant others.
