

Universal Enhancement (Day Two) Instructional Outcomes

As a result of this training, participants will be able to:

- Facilitate and encourage community participation
- Be a quiet voice in the background (be transparent) It's their life!
- Integrate skill acquisition as a function of community participation
- Nurture the forming of valued relationships
- Explain and use the Quality of Life Profile
- Discuss the difference between handicaps and disabilities
- Compare and contrast the System versus The Community
- List seven characteristics of the Inclusionary Model
